The terms of this Agreement shall apply to all media buys related to advertising, sponsorship or other promotional activity of the Client on Disney Media Platforms to the exclusion of all other terms and conditions including any terms and conditions which the Client may purport to apply under any purchase order, confirmation of order or other document unless such variation has been agreed in writing and signed by both parties. Unless stated in the Order or a Campaign Summary attached to the Order, this Agreement may not fully cover co-branded promotions, sponsorships or other arrangement involving co-branded integration, custom content association and/or special productions or events (which shall be subject to Disney's Standard Terms and Conditions for Promotions or such other terms that Disney may decide to apply), but may be used as the basis for the media components of such arrangements.

2.2 By placing an Order with Disney, the Client accepts in full these Terms. To the extent that there is any conflict between the Order, the Specifications, the Disney Advertising & Sponsorship Guidelines, the Special Terms and these Terms, the Order shall take priority.

2.3 Where the Client is an Agency acting on behalf of an Advertiser, the Agency warrants and represents that:

2.3.1 it contracts with Disney as principal and undertakes to perform all obligations under this Agreement as principal, notwithstanding that it may also be acting as an advertising agency or media buyer or in some other representative capacity;

Notwithstanding the foregoing, modifications to the originally submitted Order will not be binding unless approved in writing by both Disney and Client. Order acceptance is subject to satisfactory credit approval. Disney may in its absolute discretion at any time grant credit (with or without conditions and/or limits) to the Client and withdraw credit previously granted to the Client and/or vary any conditions and/or limits applying to any credit. The Client will comply with the obligations contained in any agreement between it and Disney or any such third party relating to the granting of credit by Disney (including specific terms of any bank guarantee that may be required to secure a credit facility) and the Client acknowledges that no information or report made by Disney or any third party will in any way oblige Disney to grant credit (on particular terms or otherwise) to the Client.

Unless otherwise agreed in the Order when Client or any of its global affiliates wish to purchase media inventory on Disney Media Platforms, and the Disney affiliate is able to provide such media inventory, the relevant parties will enter into a separate Order. Disney shall notify the Advertiser who must supply alternative Campaign Creative at its own cost as soon as possible and in any case not later than the Deadline. Should alternative copy not be supplied or not be accepted Disney shall be entitled to be paid by the Client in full for the Order. 5.2 The delivery of airtime under this Agreement is subject to prior approval by the relevant Regulator or other pre-clearance body of the final version of all advertisements.

5.3 Campaign Creative must be delivered to Disney by the Deadline accompanied with any applicable rotation instructions. In exceptional cases Disney will endeavour but is not obliged to accept Campaign Creative delivered after the Deadline.
5.4 Where Airtime Campaign Creative is not delivered by the Deadline, the Advertiser shall at the discretion of Disney be liable to pay a late copy surcharge of £250 plus VAT per Campaign Creative copy and/or be liable to pay in full for the Campaign Creative booked whether or not any Campaign Creative is in fact transmitted or published.

However, Disney shall not be obliged to accept different creative versions and reserves the right at its absolute discretion to refuse Campaign Creative which promotes more than one product. If in Disney’s opinion any Campaign Creative promoting more than one product is the consequence of editing two or more advertisements with the purpose of taking advantage of reduced rates for Airtime of a greater time length, Disney reserves the right, at its absolute discretion, to charge such Airtime at a rate equivalent to that which Disney would have charged had the Campaign Creative for each product been submitted to it separately.
5.10 Any invoice submitted for late delivery surcharges shall be paid within 30 days of the invoice date.

5.11 Reasonable care will be taken by Disney in respect of any materials provided by or on behalf of the Client to Disney whilst in the possession of Disney, but subject thereto, Disney cannot accept liability for any loss arising out of or in connection with any damage, loss, deletion or otherwise of the same (whether or not the same are in the possession of Disney or any third party engaged by Disney) and Disney will be under no obligation to return any of the same to the Client or any other third party. Notes and/or approvals of the final cut of the applicable video must be provided to Disney within one (1) business day of Disney’s request for review. The function of such final approval is for Agency to confirm that the changes specified in the rough cut Notes were made to Client’s written specifications. If so, then no
additional edits will be requested by either party. Disney shall provide Client with one (1) courtesy review of each social media post prior to upload for legal compliance review only. Due to the nature of the deliverable, live streams will not be reviewed but shall be provided in real time.

9.4 Where Disney commissions third parties, including the engagement of Social Talent to create, develop and design Custom Content to be transmitted, published, displayed or otherwise hosted on the Disney Media Platforms during the Campaign Period, Disney shall be responsible for ensuring such third party labels the Custom Content with the appropriate marketing communication disclosures. Client shall be responsible for all other marketing communication disclosures and legal compliance including for any Custom Content produced by Disney for the Client.

10. **Prize Competitions**

10.1 Where the Campaign involves a prize draw, or competition or other consumer response mechanic the parties shall agree who shall be responsible for funding and administering the redemption and fulfilment of the prizes in the Order or otherwise separately in writing. The relevant party responsible shall ensure that prizes are sent out at its cost to winners promptly and not later than 28 days after announcement of the winners.

10.2 In the event Disney receives any complaint from any prize competition entrant due to any delay or failure of the Client to fulfil delivery of the prize(s), Disney reserves the right (but is not obligated) to contact affected participants or winners directly and to obtain and deliver the prize(s) (where possible) to the winner(s) and recover all costs for the same from the Client.

10.3 If the prize(s) are being supplied by Disney and are not available for reasons outside of Disney’s control, Disney will provide replacement prize(s) of equivalent value to Client or the selected winners. Advertiser’s sole remedy for any failure by Disney to supply the prize(s) shall be a sum equal the total value of the prize(s).

10.4 Where Client supplies prize(s) for distribution by Disney, Client warrants that the prize(s) are new, unused and compliant in all respects with the description of them provided to Disney, lawful to distribute and Client shall at all times be directly responsible to the winner(s) for any defects in the prize(s) and for any and all other obligations owed to the winner(s) in respect of the prize(s) in accordance with the Applicable Laws and Advertising Standards.

10.5 Where the Campaign Creative provides a link to a prize draw, or competition or other consumer response mechanic on the Advertiser’s own website, Advertiser will solely be responsible for:

(a) organising all aspects of the activity, including, but not limited to, administration, redemption, fulfilment, and any costs associated with the same;

(b) ensuring that all relevant terms and conditions applicable to the activity are prominently displayed and made available to all participants for acceptance either prior to or at time of entry;

(c) fairly and equitably selecting the required number of winners conducted either under independent supervision or a verifiably random computer process which has been
audited and/or judging and selecting winners using the services of an independent judge in accordance with pre-determined judging criteria; and

(d) handling all customer and participant enquiries or complaints in connection with the activity.

11. **Intellectual Property Rights**

11.1 All intellectual property rights in the Advertiser IP and the Campaign Creative (excluding the Custom Content or any Disney Intellectual Property Rights incorporated therein) shall remain the property of the Advertiser.

11.2 The Client hereby grants to Disney a worldwide, non-exclusive, royalty-free licence to reproduce and display the Campaign Creative (including the Advertiser IP) for the purpose of allowing Disney to comply with its obligations under the Agreement and hereby authorises Disney to display, transmit or otherwise publish all Campaign Creative delivered pursuant to this Agreement.

11.3 The Client represents and warrants that it owns or obtained all necessary rights to the Advertiser IP, the Campaign Creative does not contain any viruses or other malicious code, the grant of rights to Disney and Disney's use of such Campaign Creative and Advertiser IP shall not violate any right(s) of a third party, and Client agrees to defend, indemnify and hold harmless Disney and its agents from and against all damages, liabilities, losses, costs, and expenses (including reasonable attorneys' fees) relating to any claim, action, suit or proceeding brought by a third party based on any actual or alleged breach by Client of its representations and warranties included in this paragraph or any actual or alleged infringement or misappropriation of such third party's Intellectual Property Rights in connection with Disney's use of the Campaign Creative and Advertiser IP.

11.4 The Client grants to Disney the express right to reproduce throughout the world screen shots of all or part of the Disney Media Platform containing all or part of any of the Campaign Creative or otherwise featuring Advertiser IP on or in any promotional or advertising material or campaign promoting or advertising Disney or the Disney Media Platforms.

11.5 All legal and beneficial interest in any intellectual property rights relating to Custom Content or other materials provided by Disney for inclusion in the Campaign Creative and all such materials, video, audio, graphics, text, data or software provided by or on behalf of Disney for the purposes of the Agreement (however excluding the Advertiser IP) and all templates, formats, documents, drawings and all other items produced, developed, utilised or supported by or on behalf of Disney remain the property of Disney. For the avoidance of doubt, where Disney pays a third party to develop any Custom Content or Disney is authorised to use Custom Content produced by a Disney affiliate and license those rights to the Advertiser, it shall be deemed to be supplied by or on behalf of Disney and remain the property of Disney for the purposes of the Agreement. In the event Disney permits Client to edit Custom Content or to create derivative works from such Custom Content (“Client Edits”), such Client Edits shall be subject to review by Disney and/or Social Talent and shall be owned by Disney.

12. **Fees and Payment Terms**
The applicable Fees are stated in the Order. Payment by Client of the Fees in the currency outlined on the invoice will be due to Disney no later than thirty (30) days from the date of the invoice. Time shall be of the essence with regard to the payment of any amounts due to Disney. Disney reserves the right to apply an interest charge on late payments at a rate of 4% per annum above the prevailing Bank of England base rate from time to time, upon such amounts from the date such amounts were due until the date of actual payment and shall be without prejudice to any other rights or remedies Disney may have against the Client. Such interest shall accrue on a daily basis and be compounded quarterly.

Unless otherwise agreed in writing, where Client does not satisfy Disney’s credit rating requirements or does not otherwise comply with this Agreement it will be required to pay the Fees in advance no later than ten (10) Working Days prior to the scheduled Campaign Start Date, and in default of payment Disney shall be entitled, without prejudice to its right to be paid and other remedies for breach of contract, to refuse to display, transmit or otherwise publish the Campaign Creative.

In a case where any campaign exceeds one calendar month in length, Disney may, at its option, issue several interim invoices for appropriate time periods during the Campaign Period.

Where the Fees are expressed to be a minimum investment the Client guarantees that it will pay such sum by the end of the Campaign Period and the parties will separately agree a media plan which will allow flexibility to allocate to available inventory during that period. Disney reserves the right, upon prior written notice to the Client, to amend any Campaign media plan in the event that particular inventory placements listed in the media plan are removed or altered during the Campaign Period, provided that Disney replaces the affected inventory placements with inventory of equivalent value.

No further Orders will be accepted from Client when any Fees due to Disney have been outstanding for more than ninety (90) days. Disney reserves the right to delay the Campaign Start Date or suspend display, transmission or publication (without prejudice to its right to be paid in full), until full payment is received in respect of any such outstanding Fees.

The existence of a query in any individual item in an account will only affect the due date of payment of that individual item. The Advertiser must notify Disney of any query within seven (7) Working Days from receipt of the invoice, no dispute by the Advertiser may be brought after this time. In the event of a query being resolved in favour of Disney, the item in query will be subject to the full rate of surcharge, subject only to Disney having dealt with the query reasonably promptly.

All payments shall be made in full and it shall not be open to the Client to make any deduction, retention or to claim any rights of set off or to make any counterclaim in any proceedings brought by Disney in respect thereof.

If the Agency is signing this Agreement for and on behalf of the Client, all invoices shall be sent to the Agency as principal for payment.

Performance
13.1 Save as otherwise provided in the Order, the Client acknowledges that Disney has not made any guarantees with respect to TVRs, audience size, usage statistics, levels of Impressions or conversion rates for any Campaign. Any statistics provided are estimates only. If an Order contains CPM, CPA, CPL or CPC commitments, the predictability, forecasting, and conversions for such commitments may vary and are not guaranteed.

13.2 For the avoidance of doubt, if any Campaign Creative is not distributed for any reason other than Disney’s omission, Disney is not obligated to provide any makegood and shall have no further obligations with respect to such Campaign. In any event, Disney’s obligations hereunder shall not extend beyond the Campaign Period; provided that notwithstanding the foregoing, Disney may extend the Campaign Period by notification to Client if the launch of the Campaign is delayed or the total number of agreed Campaign Impressions falls short of the number in the Order.

13.3 Disney will make all reasonable endeavours to deliver the requested number of Impressions within the date range set out in the Order. In the absence of specific agreement to the contrary in the Order, Disney reserves the right to determine in its discretion the precise placements and rotation of online ads. Disney shall make reasonable endeavours to spread Impression volumes evenly over the Campaign Period.

13.4 The Client acknowledges that performance measurements provided by Disney are the official, definitive measurements and no other measurements or usage statistics (including those of the Client or any other ad server) will be accepted by Disney.

13.5 If Disney fails to transmit or publish the Campaign Creative in full for any reason whatsoever other than a breach of this Agreement on the part of the Client or any of its contractors or vendors then Disney shall repay a proportion of the Fees pro rata to the reduced exposure. The pro rata repayment shall be the limit of Disney’s liability under this Agreement.

13.6 Although Disney will make reasonable efforts to ensure that the Campaign Creative appears correctly, Client acknowledges that it is responsible for verifying that the Campaign Creative displays and operates correctly on the Disney Media Platform. In particular, (but without limitation) Disney will have no responsibility where a click-through to a URL (or online ad referring to a URL) fails to link correctly, or for a broken text link, where a click-through URL leads to an error message for the user. Furthermore, the Client agrees that it is solely responsible for matters such as colour corrections, proper animation, and the quality of any sound. In the event that, in the reasonable opinion of the Client, the Campaign Creative fails to display or operate correctly, Client must notify Disney within three (3) days after the Campaign Start Date, in order to effect any corrective change. Disney will not normally make a charge for such changes provided that they are not excessive, but reserves the right to make a charge if significant amounts of administrative work are required as it shall determine in its sole discretion.

13.7 If any Campaign Creative fails to display or otherwise perform due to an omission by Disney, Client and Disney will use commercially reasonable efforts to agree upon the conditions of a makegood flight, either on a revised Order or otherwise in writing. If no makegood can be agreed upon, Disney shall determine in its sole discretion to either re-perform a part of the Campaign or extend the Campaign Period or issue a credit equal to the value of the under-delivered portion of the Order for which the Client was charged.
13.8 In the event that any Campaign Creative cannot be transmitted, displayed or otherwise published because of unavailability of technical facilities, defect or breakdown of equipment or transmission facilities, labor dispute, government action, or any cause beyond the control of Disney, Disney's liability therefor shall be limited solely to cancellation of all charges to Client hereunder for such affected Campaigns and such failure shall not constitute a breach of this Agreement.

13.9 If the requested number of Impressions has not been delivered in the agreed upon date range, Client agrees that unless it provides notice in writing requesting that the online ad be removed, Disney shall be allowed to continue to display the online ad beyond the Campaign End Date, in order to make up the number of Impressions until the requested total is delivered. There will be no additional charge to Client for the delivery of the balance of the Impressions after the Campaign End Date. However, in no circumstances will Client be entitled to any repayment of Fees to the extent that the number of Impressions at the Campaign End Date have not matched the number originally requested.

13.10 Any reference to Airtime value, audience share, performance or delivery with respect to any Campaign set out in an Order shall be estimates only and any over or under delivery shall not be reclaimable by either party at any time unless the parties have entered into a separate annual trading deal (“Annual Deal”). The parties will carry out a quarterly reconciliation of estimated and actual performance or delivery (including, without limitation audited broadcast or volume share or TVRs or other agreed equivalent measurement) or committed gross expenditure by Client or its media buying group and if any audited share committed under the Annual Deal is under-delivered, Disney shall have the following remedies at its option:

(a) the offset against any commitment under-delivered by Disney; or
(b) an increased share in subsequent year(s); or
(c) an agreed cash over-delivery (above the agreed share or other commitment) for subsequent year(s); or
(d) withdrawal of any rebate or discount granted; or
(e) an increased pricing for subsequent year(s).

13.11 In the event Disney withdraws any rebate or discount Disney may re-invoice the current deal period to the Client and will apply a reasonable price adjustment to reflect the difference. Any over or under delivery shall not be reclaimable by either party within six (6) months after the end of the Annual Deal period.

13.12 In the absence of an Annual Deal if the TVRs actually delivered for a campaign are less or more than those estimated to be delivered and paid for by a Client this will give rise to an airtime debt or credit. At no time shall any Airtime debt or credit have any cash value or entitle either party to any cash payment from the other and the parties shall negotiate in good faith to agree a position to reconcile any shortfall through the normal course of trading arrangements.

14. Audit Rights
14.1 Disney shall have the right to audit the Client’s records (including any records of an associated barter agency) and Client’s systems (including without limitation DDS, Media Explorer or similar system) at its own cost at any time on reasonable prior written notice to ensure that the terms of the Agreement have been complied with and in particular that payments are being made in accordance with the Agreement. The auditors are to be permitted access to any information and make such enquiries as they consider relevant to the performance of their duties (including without limitation to both the finance and media buying departments of the relevant entity). Disney shall be entitled to receive details of all audited gross expenditures to establish that they fall within the terms of the Agreement. The auditors will provide letters of confidentiality where requested.

14.2 If any such audit reveals that the Client has underpaid to Disney by more than 3% of sums properly due, then the Client shall pay to Disney immediately the reasonable cost of the audit, together with the amount of the shortfall and interest thereon accruing daily at a monthly rate of two percent over the Barclays Bank plc base rate from time to time in force from the date when the sums were due until the date of actual payment. In the event of any shortfall being revealed which is less than 3% of sums properly due to Disney, the Client shall immediately make payment to Disney of the shortfall together with interest at the foregoing rate. The auditors’ evaluation of the cost shall be final and binding on both parties.

15. **Online and Mobile Ad Reporting**

15.1 Save in respect of Third Party Served Ads, Disney will provide Client with a report on a monthly basis, unless otherwise agreed in the Order, detailing the number of Impressions and related click yield. Client agrees to accept Disney internal reporting as the official basis for measuring the delivery of Impressions and related click yields, and acknowledges that it shall not be entitled to any further information on the number of Impressions and click yields.

15.2 Client may request in writing that the Campaign Creative may be served by a third party and not Disney’s ad server as part of an Order (“Third Party Served Ad”). The request must be accompanied by all relevant supporting documentation and information in accordance with this clause and clause 16 and within the deadlines set out in Section 5. Requests will be reviewed on a case by case basis, and Disney reserves the right in its absolute discretion to refuse any such request.

15.3 Where permitted by Disney, Third Party Served Ads must comply with the following conditions:

- **(a)** the ad server tags must be implemented so that they are fully functional;
- **(b)** the online ads, once approved, may not be changed without prior written approval from Disney;
- **(c)** any technical standards or other speed and/or volume requirements specified by Disney; and
- **(d)** Client shall ensure that the third party responsible for control over the servers on which the Third Party Served Ad is to be located will be responsible for providing accurate information of at least the same statistics as are typically provided by Disney.
to both to the Client and to Disney and shall disclose the applicable ad delivery measurement methodologies. In the case of dispute as to such statistics, Disney’s own statistical information as to the number of Impressions and click through yield allocated by Disney’s servers will be deemed to be accurate in the absence of manifest error.

15.4 Where a Third Party Ad Server cannot serve the Campaign Creative, the Client shall immediately notify Disney and Disney at its option may elect to treat the Order as cancelled in accordance with these terms and Disney may use the inventory that would have been otherwise used for Disney’s own advertisements or advertisements provided by a third party.

16. **Data Protection & Tracking Technology**

16.1 The Client will disclose to Disney any Tracking Technologies used by the Client or its Advertising Partners to collect or process Campaign Data or interactions on any Disney Media Platform, including consumer clicks or other interactions with any Disney website, app or content. Disney has the right to approve or reject the use of such Tracking Technologies in its sole discretion at any time. If approved, the Client may and hereby warrants and represents that it shall only use (or authorise Advertising Partners to use) Tracking Technologies for the purpose of measuring impressions or conversions (for the purposes of attributing views, installs or other performance) and not for retargeting users or creating or appending data to any profile regarding any user, unless expressly agreed in writing by Disney (the Approved Purposes).

16.2 The Parties agrees and acknowledge that with respect to any Approved Purposes the relevant Parties act as independent Controllers and shall each ensure that they and their Advertising Partners or other platforms or service providers process the Disney User Data in accordance with the Data Protection Laws.

16.3 With respect to the Parties respective responsibilities as Controllers, each warrants that it shall collect and/or process the Disney User Data in a lawful manner accordingly to the Applicable Data Protection Law and take all appropriate technical and organizational measures to protect it against accidental or unlawful destruction or accidental loss, alteration, unauthorized disclosure or access, and to ensure the confidentiality, availability, integrity and confidentiality of the Disney User Data. In the event that one Party suffers a personal security incident or has reasons to believe that a security incident has occurred, each Party shall notify the other Party without undue delay but no later than 48 hours after becoming aware of the security incident in relation to the personal data received by the other Party and that are processed within the present agreement. The Party responsible of the breach undertakes to take all the necessary measures to investigate and mitigate the effects of the event. The Parties shall cooperate in good faith in relation with the data breach. Communication regarding this security incident must remain strictly confidential and must be performed only to formally identified persons within Parties organization.

16.4 In respect of the operation of any Tracking Technology in the Campaign Creative or on the Disney Media Platform and regardless of whether such Tracking Technology has been disclosed to or otherwise approved by Disney, the Client warrants that it shall not be in breach nor shall it place Disney in breach of any Applicable Laws and in particular the Data Protection Laws.
16.5 Client agrees to (and shall procure that its’ Advertising Partners agree to):

16.5.1 ensure that with respect to any processing of Campaign Data which it carries out or otherwise instructs an Advertising Partner to perform on its behalf then it and they shall post a privacy policy that: (a) complies with Applicable Laws, and (b) accurately discloses the data collection, use and disclosure practices applicable to such processing.

16.5.2 provide end-users with a link to the Internet Creative Bureau's opt-out page at www.youronlinechoices.com so as to provide a notification to users relating to the use of Tracking Technologies which links at the user's option to further information which accurately discloses the use of such technologies (including for the purposes of interest-based online advertising) and user controls (through privacy policies or otherwise).

16.6 Each party agrees to comply with the terms of its own posted privacy policy(ies) and the EASA Best Practice Recommendation on Online Behavioural Creative and Self-Regulatory Principles of the IAB Europe (or such replacement codes and guidelines as issued from time to time) in connection with its and their activities related to this Agreement.

16.7 Nothing in this section shall prevent the Client from using aggregate and anonymous performance data for internal media planning purposes only (but not for user retargeting), or (where the Client is an Agency) disclosing qualitative evaluations of aggregate and anonymous performance data to its clients and potential clients for the purpose of media planning or purposes relating to its continued development of its business, and provided further that the Agency shall not disclose any such data to any third party in a way that would identify Disney to such third party.

16.8 Failure by either party to comply with the obligations set out in this Section 16 is grounds for immediate cancellation of the Order by Disney.

17. Warranties and Representations

17.1 Each party represents and warrants that its representative signing this Agreement has the full power and authority to sign and to bind the relevant party accordingly and it is duly organised, validly existing and in good standing under the laws of the jurisdiction in which it is incorporated, has been in continuous existence since its incorporation and has the right, power and authority and has taken all action necessary to execute, deliver and exercise its rights and perform its obligations under this.

17.2 Disney warrants, represents and undertakes that with respect to any Disney Intellectual Property, it has the right to license such property on the terms provided in this Agreement and that such licence shall not violate the rights of any third parties. No representation or warranty is hereby given as to trade mark rights or non-infringement of trade mark rights with respect to any Disney Intellectual Property.

17.3 Client warrants, represents and undertakes that:

17.3.1 it shall not use, or permit the use by any third party, any Disney Intellectual Property except as expressly authorised by this Agreement;
17.3.2 the Advertiser Brand, Advertiser IP, the Campaign Creative and any other activities of or content, copy or materials supplied by Client or its sub-contractors, agents or representatives or for which Client is responsible shall:

(b) not infringe the Intellectual Property Rights, rights of publicity, rights of personality, rights of privacy, rights to any payment of royalties or other rights of any other third party;

(c) be of the highest quality and safe and free from defects in design, materials and workmanship and shall not contain any material that is unlawful, harmful, offensive, fraudulent, false, misleading, threatening, abusive, harassing, defamatory, vulgar, obscene, profane, hateful, racially, ethnically, or otherwise objectionable, including, without limitation, any material that encourages conduct that would constitute a criminal offence, give rise to civil liability, or otherwise violate any Applicable Law or the Advertising Standards; and

(d) where it or its designee is granted access to the Disney Media Platforms to serve, display or otherwise publish the Campaign Creative or other online advertising it shall at all times comply with the Data Protection Laws and will comply with Disney’s current published privacy policy (including any published Cookies Policy) or cause Disney to breach data protection or privacy law or incur any liability to Disney or any other person whatsoever; and

17.3.3 it shall be solely responsible for ensuring that the description of the Advertiser Brand and/or the Advertiser’s products and services featured in the Campaign Creative or the Custom Content including the depiction of the performance or functionality of such products and services shall comply with Applicable Laws, the Advertising Standards and shall not be misleading in any way. The Advertiser shall furnish Disney with adequate substantiation and suitable objective factual information and other data for all such descriptions or representations as Disney may reasonably request and to enable Disney to deal with any legal or other regulatory complaints raised in relation to the Campaign Creative.

17.4 Client further warrants, represents and undertakes that where it or its designee has provided material for the Campaign Creative or Custom Content (including any advertising or any content or material to which viewers or users can link through or any products or services made available to viewers or users through interaction with such advertising), except as expressly set out in this Agreement, it:

17.4.1 has obtained or will be responsible for obtaining and paying for all Intellectual Property Rights and other third party rights, and all appropriate consents, permissions, clearances and licences (including without limitation any and all music rights and
performing rights including making any and all payments, re-use payments, royalties and other sums required to be paid to administrators of musical compositions and/or recordings synchronized with or used in the materials and all other music rights holders and musicians and/or applicable unions or collective societies, and any personal appearance rights) to permit the use, reproduction, display, transmission and distribution of such materials whether or not on Disney Media Platforms in the manner described in the Order; and

17.5 Client acknowledges and agrees that if it becomes aware of any likelihood of any breach of warranty under this clause, it will notify Disney immediately. Disney shall have the right (but not the obligation) to remove any materials from display, transmission or publication on the Disney Media Platforms.

17.6 This Agreement sets out the full extent of Disney’s obligations and liabilities in respect of the rights granted hereunder. Except as expressly stated in this Agreement, there are no conditions, warranties, representations or other terms, express or implied, that are binding on Disney. Any condition, warranty, representation or other term which might otherwise be implied into, or incorporated in, this Agreement whether by statute, common law or otherwise, is excluded to the fullest extent permitted by Applicable Laws.

18. Indemnities

18.1 Client shall, on demand, indemnify and hold harmless Disney, its parent and affiliated companies and their respective officers, directors, employees, sub-contractors and agents and each of them (“Disney Indemnified Parties”), from and against all losses, actions, claims, costs, liabilities, judgments, damages and/or expenses (including but not limited to reasonable legal fees, costs and expenses and any compensation, costs or disbursements incurred by or paid by Disney to compromise or settle any action or claim) whether reasonably foreseeable or not, incurred and arising from or relating to (a) any breach of any warranty given by the Client contained in this Agreement, (b) any claim made against Disney or its Affiliates for actual or alleged infringement of a third party’s Intellectual Property Rights arising out of or in connection with any use of the Disney Media Platforms which is not in accordance with the rights granted under this Agreement, and (c) the operation of the Competition(s), including use or misuse by contestants of any prize and any user-generated content and shall add the Disney Indemnified Parties as indemnified and released parties in the official rules and any winner releases, waivers or prize claim documents.

18.2 Disney agrees to, and shall, indemnify, defend and hold harmless Client from and against any and all losses, actions, claims, costs, liabilities, judgments, damages and/or expenses (including but not limited to reasonable legal fees, costs and expenses) arising from any third party claim
that any Intellectual Property Rights provided by Disney and used in the manner prescribed by Disney infringes the copyright of any third party.

18.3 The indemnification obligations in this Clause 18 are expressly conditioned on the indemnified party: (i) notifying the indemnifying party promptly in writing of each such claim, and in any case not later than ten (10) days after it receives notice of the claim; (ii) giving to the indemnifying party sole control of the defence and any settlement negotiations with regard to such claim; and (iii) giving the indemnifying party the information, authority, and assistance it needs to defend against or settle the claim PROVIDED ALWAYS that Disney will have sole control of the defence of third party claims in relation to infringement of the Licensed Property and Client shall be solely responsible for its own legal and other professional fees, costs and expenses with respect to the same.

18.4 In no circumstance shall Disney be liable for any error in the Campaign Creative whatsoever whether through its own act or omission (whether negligent or otherwise) or through the incorrect presentation or codes for the Campaign Creative or otherwise and the Client hereby indemnifies Disney in respect of any claim, loss, damage or otherwise arising out of any error or omission in the Campaign Creative.

18.5 Client agrees that it may not, without Disney's prior written consent (which shall not be unreasonable withheld or delayed), enter into any settlement or compromise of any claim that results in any admission of liability or wrongdoing on the part of Disney or its Affiliates. It is understood and agreed that neither Disney nor any of its Affiliates will be required, to edit or review for accuracy or appropriateness any Campaign Creative.

19. Liability

19.1 Nothing in this Agreement shall limit or exclude either party’s liability for (a) death or personal injury resulting from such party’s negligence, (b) fraud or fraudulent misrepresentation; or (c) any other liability that cannot be excluded or limited by Applicable Laws.

19.2 The aggregate liability of Disney or any Disney-related Entity in respect of any loss or damage determined by a court to have been incurred by the Client and arising out of or in connection with this Agreement (whether in contract (including the performance, non-performance or delayed performance by Disney of any obligations under or in connection with this Agreement), tort (including negligence), equity or for breach of statutory duty or in any other way), or otherwise arising from the Client’s exercise of the rights granted to it under this Agreement, shall not exceed the Fee (or £50,000 where any fee has been waived), subject always to the remaining provisions of this Clause 19.

19.3 To the extent permitted by Applicable Laws, neither party shall be liable in any circumstances whether in contract (including the performance, non-performance or delayed performance by Disney of any obligations under or in connection with this Agreement), tort (including negligence), equity or for breach of statutory duty or in any other way) for:

19.3.1 any loss arising from or in connection with loss of revenues, profits, contracts or business or failure to realise anticipated savings (regardless of whether any of these types of loss or damage are direct, indirect or consequential); or
19.3.2 any loss of goodwill or reputation (regardless of whether any of this type of loss or
damage are direct, indirect or consequential); or

19.3.3 any indirect or consequential loss or damage whatsoever, suffered or incurred by the
other party and arising out of or in connection with this Agreement, even if such loss
was reasonably foreseeable or that party had been advised of the possibility of the
other party incurring it, provided always that this clause shall not apply to (a) any
infringement of Disney Intellectual Property Rights by Client or its agents or
subcontractors or (b) any breach by either party of Clause 20 (Confidentiality) or Clause
15 (Data Protection).

19.4 Under no circumstances shall Client be entitled to any injunctive relief against Disney with
respect to this Agreement or any rights granted and agrees that its sole and exclusive remedy
under the Agreement shall be an action in damages or a claim under the indemnity under Clause
18.

19.5 This Clause 19 shall not limit Client’s liability to pay to Disney any payment properly owing to
Disney pursuant to this Agreement.

19.6 The limitations of liability in this Clause are a fundamental part of the basis of each party’s
bargain hereunder, and Disney would not enter into this Agreement absent such limitations.

19.7 The parties acknowledge that the rights and obligations of Disney under this Agreement are
subject to Applicable Laws in force from time to time and accordingly in the event of any
inconsistency between the terms of this Agreement and Applicable Laws, the Applicable Laws
shall prevail and Disney shall have no liability (save as provided in Clause 6) to the Client in the
event that it is unable to perform any of its obligations hereunder as a result of the requirements
of any Applicable Laws or change. If Disney fails to publish any Campaign Creative for any reason
whatsoever or deliver any guaranteed Impressions or Referrals as provided in the Order (or in
the event of any other failure, technical or otherwise, of such Campaign Creative appearing
as provided in this Agreement), Disney's liability will be limited (at the option of Disney) to either:
publishing the Campaign Creative as soon as is reasonably practicable in the period following the
period during which the Campaign Creative was scheduled to run on the Disney Property or an
alternative website and for such time as is necessary to generate a number of substitute
Impressions or Referrals equal to the shortfall; or refund to the Client that proportion of the Net
Fee which relates to that Campaign Creative and/or Impressions or Referrals which were not
provided or, if the relevant amounts were not paid by or on behalf of the Client, agree that such
amounts will not be due or payable.

20. **Term and Termination.**

20.1 The term of the Agreement shall commence when the Order has been signed by both parties, or
the date Disney commences publishing the Creative (whichever is the earlier) and this
Agreement shall continue in force and effect until the Campaign End Date unless terminated
earlier pursuant to this Clause 20 of the Agreement. Except as expressly set out in this
Agreement, any renewal of this Agreement and acceptance of any additional advertising order
will be at Disney’s sole discretion. The rates applicable to such renewal period (if any) are subject to change by Disney from time to time in its absolute discretion.

20.2 Either party may terminate this Agreement, upon written notice to the other party, at its discretion, if:

20.2.1 the other party commits a material breach of this Agreement and, if remediable, it fails to remedy such breach within five (5) days after written notice from the other party requiring it to do so; or

20.2.2 the other party commits any act of insolvency, including:

   (a) inability of that party to pay its debts generally as they fall due (within the meaning of Section 123 of the Insolvency Act 1986 or analogous such law in any applicable jurisdiction); or
